

LETTER CIRCULAR

Date: 15th October 2021 **Ref:** DLAP 262/2021
To: All Heads of College Network and Heads of Primary Schools (State and Non-State)
From: David Muscat – CEO, National Literacy Agency
Subject: 'Footballers Read and Write Programme' after-school skills challenge

During this scholastic year, the National Literacy Agency Sports Literacy Leaders will resume the football skills challenges – with a new set of activities - organised during after-school hours or during school holidays.

The Agency invites parents/guardians, whose children were born between 2008 and 2013, to encourage them to take part in this challenge. Once they apply, parents/guardians will be given a specific date, time, and location for their child to complete the challenge.

All participants will be given a book, a certificate of accomplishment and other tokens, while those who manage to complete the challenge will be awarded two books and a ball signed by ex-footballers who played with the national Maltese team. The Agency will be adhering to the health and safety measures issued by the Public Health Authorities throughout the challenge.

Those who are interested may apply by filling in the attached form and sending it to nla@ilearn.edu.mt. The closing date for applications is Friday, 29th October 2021.

Further information on this initiative may be obtained on our Facebook page '*Bil-Qari u l-Kitba Niskorja/Footballers Read and Write Programme*' or by calling on 2598 3324.

Thank you for your attention.
